TIMELESS

EDITION

LA DÉCO EST UN JEU INTEMPOREL

Balsan, le créateur français de revêtements textiles, inspire votre talent décoratif et taquine votre esprit ludique.

Avec Timeless, habiller les sols d'un hôtel ou d'un immeuble de bureaux devient un jeu de motifs, de formes et de couleurs, mais surtout de style et de sensibilité.

Plus d'une centaine de dessins originaux, classés en six grandes familles, vous offrent une extraordinaire richesse d'inspiration, de l'esprit le plus trendy au chic le plus classique, en passant par les apaisantes sensations de nature, l'exotisme coloré des motifs ethniques, la richesse voluptueuse des impressions florales et les étonnants effets d'optique des formes géométriques.

Issus du patrimoine artistique de Balsan, tous les dessins rassemblés dans Timeless se distinguent à la fois par leur créativité audacieuse et leur style intemporel, fait pour transcender les modes.

Cette source d'inspiration quasiment inépuisable vous permet de créer des revêtements uniques, en composant vos gammes de couleurs, en variant à volonté l'échelle de vos motifs et en choisissant la nature de vos sols textiles. Sans oublier que vous pouvez associer différents motifs entre eux, pour jouer sur des changements de rythme et d'ambiance.

Enfin, Timeless est un jeu sans risque : vous testez vos créations en ligne avec notre simulateur Design Studio, vous les mettez en situation, vous les comparez, vous les changez de couleur... avant de sélectionner la création qui convient à votre projet, et qui sera réalisée pour vous en impression digitale haute performance. Et bien sûr, vous pouvez compter sur l'expertise et la disponibilité des stylistes Balsan à chaque étape du « Timeless Game ».

Alors maintenant, à vous de jouer !

DECOR IS A TIMELESS GAME

Balsan, the French creator of textile floorings, has inspiration for your decorative talent and temptation for your playful spirit.

With Timeless, dressing the floors of a hotel or office building becomes a game of patterns, shapes, colours, and, above all, style and sensitivity.

Over a hundred original designs, grouped into six families, make for an extraordinary wealth of inspiration: from bang-on-trend stylings to the height of classic chic, from soothing natural sensations to exoticism coloured with ethnic patterns, the voluptuous richness of floral prints and the stunning optical effects of geometric shapes.

Born of Balsan's artistic heritage, all the designs brought together in the Timeless collection are set apart both by their audacious creativity and their timeless style, designed to transcend the whims of fashion.

This almost inexhaustible source of inspiration allows you to create unique floorings - composing your own colour palettes, changing the scale of your patterns as you please and selecting your own carpet textures. Don't forget that you can link different patterns together, making child's play of changes in mood and ambience.

To cap it all, Timeless is a game with no risks: test your creations online with our Design Studio visualiser, see them in place, compare them and change colours before choosing the design that suits your project, to be printed using high performance digital technology. And of course, you can count on Balsan's expert stylists to be there to help you at each step of the "Timeless Game".

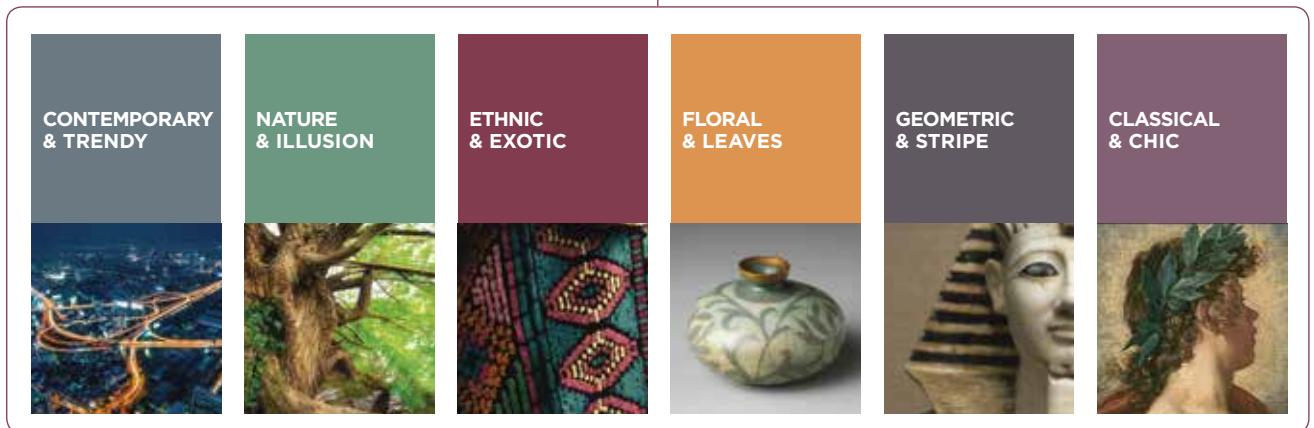

It's time to play!.
